WebWinks 1.0

Wizards of Web

23rd February, 2017: **ACM@CCET Student Chapter** has conducted a quiz and web development competition “WebWinks” on web designing for 1st, 2nd, and 3rd year students. This has been conducted with an intention to judge and enhance the understanding level of Web Designing concepts.

A total of 35 teams participated (each consisting of 2 members) in the competition. Two different rounds were conducted: Round 1 consisted 20 questions on HTML on the basis of which 14 teams were selected to compete against each other in next round. In Round 2, participants had to create a website using either Coding, Dreamweaver or WordPress.

The Round 2 finally came to close with Akhil Sharma and Aditya Sharma as the winners with 45 points. The first runner ups were Abhijeet Rastogi and Lakshay Sharma with 40 points and the third position witnessed a tie between teams of Kishore Kumar and Sushma and D Akhil Kumar and Gursheesh Singh with 37 points each.

The competition was organized by ACM@CCET Student Chapter’s coordinators Sahil Manaktala, Sagar Tomar, Anubhav Gupta and Simranpal Kaur

To bring the competition to a close all the participants were thanked for making it a huge success.
