## **Codathon 1.0 - An Introductory Coding Marathon**

**ACM@CCET Student Chapter** of Department of Computer Sc. & Engineering, Chandigarh College of Engineering & Technology (Degree Wing), Sector -26, Chandigarh organized its first coding marathon that tested the logic and a student's ability to program known as "**Codathon 1.0**" for the enlightenment of students of all the branches under ACM (Association of Computing machinery) at CCET-degree wing college campus itself on 30<sup>th</sup> September 2015.

**Dr Sunil Kr Singh** HOD & mentor ACM student chapter told that how the event could prove to develop high interest of students in programming skill which will be a huge beneficial for the students in overall academic growth and get them acquainted with the new technological advancement happening around the world.

In this event, a total of 42 CSE students participated in a team of 3. The "**Codathon 1.0**" is a coding competition where a set of 3 questions were given to all the teams that were to be solved and coded using a programming language of their choice in duration of one and half hour. Some aptitude based questions were also asked in between as an extra challenge for the participants for whom extra points were awarded.

Prof. (Dr.) Sunil Kr Singh, HOD CSE & mentor ACM student chapter
